Quarterly Communication

To our shareholders:

As we have reached the half-way point of 2024, we are pleased with our financial results and the progress of our growth in personal trust, farm management and employee benefits relationships. We continue to support our existing clients in all three lines of business including expanding our reach for personal trust in both the Chicago and St. Louis markets and adding farm land brokerage to our added list of services.

The Board of Directors has declared a special dividend of \$0.50 per share to all shareholders of record as of July 8, 2024 to supplement our annual dividend.

Thank you for you continued support of TI-TRUST!
